

TERM THREE UPDATE – SEPTEMBER 2018

INTERNATIONAL PREFECTS 2019

David, Sherry and Miku did a great job as international prefects this year, do you think you have what it takes to take on the challenge in 2019? If you are supportive of other students and can set a good example with your attendance, hard work and character and would like to put your name forward to be an international prefect next year, please talk to Mrs Hart.

Keep up the good work and let's see if we can break our record this year!

VIRTUAL REALITY TRIP

Henderson High School promotes the use of high tech equipment to further our learning. In June we took a trip to the Virtual Reality Studio to see the fun side of technology, experiencing and interacting with an imaginary world of games, scenarios, creative arts and challenging activities.

ACTIVITIES SIGN UP NOW!

We have an eclectic mix of activities to join at Henderson High School, including enviro group, craft group, games group, debating team, math club, K-Pop, MUNA (Model United Nations) sports teams and much more! Speak to your teacher or Mrs Hart for more information!

EDUCATION REVIEW OFFICE REPORT

In 2017 Henderson High School was reviewed by the **Education Review Office (ERO)**. We were awarded with the highest possible review cycle as a sign of confidence in our school management, culture and academic performance. ERO commented on the modern and innovative learning environment provided by digital technology, which extends opportunities and promotes collaborative learning.
