Henderson High School (45) Enrolment Scheme

The guidelines for development and operation of enrolment schemes are issued under section 11G (3) of the Education Act 1989 for the purpose of describing the basis on which the Secretary's powers in relation to enrolment schemes will be exercised.

Home Zone

All students who live within the home zone described below and shown on the attached map shall be entitled to enrol at the school.

Starting at the north western end of Great North Road at the intersection with Swanson Road, and Buscomb Avenue. Include Mt Lebanon Lane and Winery Way. Travel north east to the end of Buscomb Avenue where it becomes Epping Road at Epping Esplanade. Travel east across the Henderson Creek and Central Park Drive to Vodanovich Road (111, 112 and above included only). Turn north into Edmonton Road (191, 164 and below included) and then east along Strid Road. Turn south along Te Atatu Road (179, 214 and below included). Including Corniston Avenue before turning northeast along Roberts Road to the coast.

Follow the coastline south past McLeods Park and along the creek south of Tirimoana Road and Crystal Avenue before joining Glendene Avenue (47, 56 and above included). Turn southwest onto Kirby Street (2, 35 and above included), including Manhattan Heights (37, 42 and above), including Jenelin Road, before turning south onto Great North Road (4213, 4130 and above included). Turn west into Awaroa Road then Sunhill Road before travelling south to join West Coast Road (337, 342 and above included) at the intersection of Woodglen Road (included), continue along Woodglen Road before turning east onto Woodvale road and then south onto Glendale Road. Continue south along Glendale Road (addresses 31 – 115, odd addresses only included), turning onto Glengarry Road and travelling west along it (only numbers 176, 181 and above included). Turn southwest onto West Coast Road and follow it before travelling south onto Shaw Road.

Continue along Shaw Road (282, 233 and below included) towards the intersection with Scenic Drive (145, 158 and above included). Piha Road, Quins Road, and all side roads off Piha Road to the coast are included. Continue west along Scenic Drive to address number 579, and travel northwest across country to meet and follow Opanuku Road, into Henderson Valley Road (Mountain Road addresses 2 and 4 included). Continue along Henderson Valley Road, including Border Road until it become Palomino Drive, join Great North Road and travel north back to the starting point.

All residential addresses on included sides of the boundary roads and all no exit roads off included sides of boundary roads are included in the zone unless otherwise stated.

Proof of residence within the home zone will be required.

Each year, applications for enrolment in the following year from in-zone students will be sought by a date which will be published in a daily or community newspaper circulating in the area served by the school. This will enable the board to assess the number of places which can be made available to students who live outside the home zone.

Special Programmes

This priority category is not applicable at this school because the school does not run a Special programme approved by the Secretary.

Out of Zone Enrolments

DRAFT

Each year the board will determine the number of places which are likely to be available in the following year for the enrolment of students who live outside the home zone. The board will publish this information by notice in a daily or community newspaper circulating in the area served by the school. The notice will indicate how applications are to be made and will specify a date by which all applications must be received.

Applications for enrolment will be processed in the following order of priority:

First Priority This priority category is not applicable at this school because the school does not run a Special programme approved by the Secretary.

Second Priority will be given to applicants who are siblings of current students.

Third Priority will be given to applicants who are siblings of former students.

Fourth Priority will be given to any applicant who is a child of a former student of the school.

Fifth Priority will be given to any applicant who is either a child of an employee of the board of the school or a child of a member of the board of the school.

Sixth Priority will be given to all other applicants.

If there are more applicants in the second, third, fourth, fifth, or sixth priority groups than there are places available, selection within the priority group must be by ballot conducted in accordance with instructions issued by the Secretary under Section 11G(1) of the Education Act 1989. Parents will be informed of the date of any ballot by notice in a daily or community newspaper circulating in the area served by the school.

Applicants seeking second or third priority status may be required to give proof of a sibling relationship.
