25. Except in the circumstances described in clause 24, this Agreement is considered to be written agreement of the Parents for any activity organised and/or supervised by the School, including trips and physical activities, regardless of whether agreement is sought from domestic students in relation to the same activity.

26. Unless otherwise agreed in writing by the parties, this Agreement is considered to be written agreement for leisure travel or stays organised and supervised by the Student's Residential Caregiver where the travel is within New Zealand for a period of not more than seven days and does not result in the Student missing any scheduled school days.

The following is the School's current policy for dealing with Disciplinary Actions and Welfare Issues. This is not intended to restrict the School's general powers relating to discipline and this policy may be changed from time to time at the discretion of the School.

Overview

1. Except in serious situations where immediate termination of the Agreement is necessary, or where the breach does not warrant any formal response other than a warning, the School will endeavour, where appropriate, to follow a two-stage investigation process (the Investigation Process).
2. In Stage One, the School will investigate and determine the facts of the situation being considered (the Situation), and will reach a conclusion on what happened and whether there is a Welfare Issue or an incident that requires Disciplinary Action or the termination of the Agreement.
3. During Stage One of the Investigation Process, the Student will have an opportunity to provide a response to any subject matter being investigated or to any allegation made concerning the Situation.
4. In Stage Two, if the School has determined some response is required, the School will consider the appropriate outcome for the Situation, up to and including termination of the Agreement.
5. During Stage Two of the Investigation Process, the Student will have an opportunity to provide a response to the Situation and any proposed outcome that the School is considering taking (the Proposed Action).
6. This policy does not limit the School's power to take appropriate action urgently and without following the Investigation Process if this is necessary having regard to the seriousness of the Situation. Such a determination may be made at any point during the Investigation Process.
7. This policy also does not limit the School's power to suspend the student for the duration of the Investigation Process where suspension is considered necessary for the safety or education of any person.

General Policy

8. When the School is conducting an investigation involving the Student it will endeavour to provide the student with the following:
 - a. a written summary of the Situation (as it understands it) or the Proposed Action;
 - b. an opportunity to respond to the Situation or the Proposed Action, either in person or in writing or both, at the choice of the Student;
 - c. an opportunity to consider the Situation or the Proposed Action for a reasonable period of time (having regard to the seriousness of the Situation or the Proposed Action) before giving a response;
 - d. an opportunity to contact his or her Parent before giving a response, unless the delay caused by contacting that person is unreasonable having regard to the seriousness of the Situation or Proposed Action;
 - e. an opportunity to have an independent support person of his or her choice present at any meeting relating to the Investigation Process;
 - f. an opportunity to meet with that support person in private at any stage during the Investigation Process;
 - g. an opportunity to have a translator present (or otherwise facilitate the student participating in the Investigation Process in his or her own language) during any meeting or process if the School or the Student considers that a language barrier means that a translator is required; and
 - h. a copy of this policy setting out the rights which the Student has when engaging in the Investigation Process.

Stage One: Incident Investigation

10. When the School learns of any incident or any other thing that may be a breach of the Agreement or might otherwise warrant a Disciplinary Action or which may constitute a Welfare Issue, the School will notify the Student of the Situation and will provide the Student with an opportunity to give a response.
11. Where appropriate, having regard to the seriousness of the Situation, the Student will have the opportunity to respond either in person or in writing or both, at the choice of the Student. The School will receive this response and give it genuine consideration before making a decision about the Situation.

12. When the School makes a decision about the Situation it will advise the Student and Parent, in writing if possible, about its conclusion as to what happened and whether it considers that it requires some kind of formal response – whether Disciplinary Action, Termination or other intervention.

Stage Two: Outcome Discussion

13. If the School determines that a formal response is required, it will advise the Student and Parent of the possible actions that it will consider taking in response to the Situation and will provide the Student and Parents with an opportunity to give a response.
14. Where appropriate, having regard to the seriousness of the Situation, the Student and parent will have the opportunity to respond either in person or in writing or both, at the choice of the Student. The School will receive this response and give it genuine consideration before making a decision about the action to be taken.
15. When the School makes a decision about the action that it will take in response to the Situation it will advise the Student and Parents of its decision, in writing if possible. The action will not take effect, and no actions will be taken to put it into place, until the Student and Parents have been advised of the decision.

Schedule Three - Digital Citizen Responsible Use Agreement

Student User Agreement

Digital technology continues to create opportunities to learn and connect our school community. Henderson High School believes in using a digital citizenship model to support safe, responsible and ethical use of digital technology and online spaces as it helps our online environment to be a positive place for everyone.

This agreement outlines Henderson High School's role in promoting the use of digital technology and online spaces for learning, and supporting online safety approaches. It also outlines expectations and responsibilities of students as a member of our online community. It will also be used to support discipline processes when necessary.

Online Incidents

Despite the advantages technology offers and people's best intentions, sometimes there will be challenges and risks within an online community – either accidentally or on purpose. Henderson High School is committed to supporting you if something goes wrong online.

Online bullying: Incidents of online bullying or harm will not be tolerated at our school. If you or somebody else is being bullied or harmed online, it's never okay at any time. This type of harm doesn't usually just go away. It's important to keep the evidence of what is happening to you or someone so this can be investigated. Don't put yourself at further risk by continuing any contact with the person or people who are bullying online, or creating harmful or hurtful content. It's very important to let someone at school know what's happening so you can get the right help and support you need. You should also consider talking to a trusted adult like your parent, your whānau or guardian for support.

Report a problem: You should report an online incident or if you suspect something is happening online as soon as you can to a Dean or Senior Management. Once the school is made aware of a problem, they will assess the problem and work to resolve it.

Online safety support: Netsafe is an online safety organisation that is also available to help. They provide free confidential advice seven days a week for all online safety challenges. They can be contacted on 0508 638723 or online at [netsafe.org.nz](https://www.netsafe.org.nz)

Henderson High School's Role

Henderson High School recognises a student's right to receive a high-quality education in a safe online and offline environment.

We will do this by:

- Providing information and support to ensure you are aware of, and able to meet, your responsibilities
- Teaching a curriculum that promotes positive online safety behaviours
- Overseeing students' use of the school's digital devices and platforms
- Offering access to the internet and online services that is not unreasonably restricted
- Using filtering software to minimise access to inappropriate online content
- Allowing the use of technology for personal reasons during break times as long as it does not negatively impact on self and others
- Supporting students who need help dealing with online incidents
- Taking action when a negative online experience occurs between students even if it takes place outside of school hours
- Securing the personal information the school collects about you
- Protecting your freedom of expression under New Zealand's Bill of Rights
- Having a plan in place to support students when something serious or illegal happens. This might include getting in touch with the Police or Netsafe.

Student Responsibilities

As a student of Henderson High School and a member of our community, it is expected that you will positively contribute towards making our school a place that is safe, respectful, and fair online and offline. This means enacting our school values in online spaces, and helping to shape a positive online culture. This is being a 'digital citizen'.

As a digital citizen, you will:

- Keep it positive. Always respect others online and communicate in a constructive way. Do not create or publish content that is indecent, threatening or offensive.
- Protect privacy. Do not disclose sensitive personal information about yourself or another person in any digital communication. This includes sharing passwords, accessing devices or online sites belonging to others without consent and taking screenshots and sharing this content without consent.
- Act cautiously. Anything you post or do online can influence what people think of you. Likewise, always think carefully about whether the information you see online is true. If you are unsure of something talk to a teacher.
- Avoid online bullying. Creating or forwarding content that is harmful, inappropriate or hurtful is never okay at any time, and may breach legislation (The Harmful Digital Communications Act). If you are harassing people by sending multiple messages this is also considered online bullying and is unacceptable.
- Be security smart. Keep personal information safe and secure by using strong passwords and not sharing them with others. This includes not accessing devices or online sites belonging to others without consent, nor taking screenshots and on-sharing their personal content without their knowledge and permission.
- Check consent. Before downloading software to the school network or onto devices, seek permission. Interfering with the school systems, digital technologies, equipment/network or the online security of another person is never okay at any time.
- Recognise others work. Follow copyright and intellectual property requirements by attributing references, images, text, audio and video appropriately.
- Respect the rights of others. Only record and share video, photo or audio content if the people in it know it has been taken and have provided their consent.
- Use personal devices sensibly. Keep your device(s) on silent during school hours and only use it outside of class time unless you have been given permission to use it during lessons.
- Seek help. Sometimes you or someone you know will feel unsafe or come across inappropriate or hurtful online content and behaviours. If this happens talk to a trusted adult about what can be done, or contact Netsafe directly.

Student Declaration

I understand and agree to support and uphold these expectations and responsibilities outlined in this agreement.

I know that if my actions or behaviours do not align with the User Agreement there may be consequences. This may include the loss of access to the internet on school owned devices or personally owned device used at school.

Schedule Four - Refund Policy

Requests for a Refund of International Student Fees

The School will consider all requests for a refund of international student fees. Requests should be made in writing to the School as soon as possible after the circumstances leading to a request. All refunds will be settled under the terms of this policy unless otherwise agreed by the School.

A request for a refund should provide the following information to the School:

- the name of the Student;
- the circumstances of the request;
- the amount of refund requested;
- the name of the person requesting the refund;
- the name of the person who paid the fees;
- the bank account details to receive any eligible refund including bank address and swift code where relevant;
- any relevant supporting documentation such as receipts or invoice.

Non-refundable fees

The School is unable to refund some fees. The following fees relate to expenses that the School may have paid or will incur as a result of receiving an application for enrolment and cannot be refunded:

Administration fee: Administration fees meet the cost of processing an international student application. Administration fees exist whether an application is accepted or not or whether a Student remains enrolled after an application is accepted.

Insurance: Once insurance is purchased, the School is unable to refund insurance premiums paid on behalf of a student. Students and Parents may apply directly to an insurance company for a refund of premiums paid.

Homestay placement fee: Homestay placement fees meet the cost of processing a request for Homestay accommodation by the student. Costs incurred for arranging Homestay accommodation for the Student prior to the refund request cannot be refunded.

Used homestay fees: Homestay fees paid for time the Student has already spent in a Homestay cannot be refunded. Used Homestay fees may also include a notice period of two weeks.

Portion of unused tuition fees: The School may retain a portion of unused tuition fees. Amounts retained will relate to costs that have been incurred or committed by the School and may vary.

Requests for a refund for failure to obtain a study visa:

If the Student fails to obtain an appropriate visa, a refund of international student tuition fees will be provided less any administration fee that has been paid. Evidence must be provided to the school of Immigration New Zealand declining to grant a visa.

Requests for a refund for enrolment of one term or less:

Where the Student is enrolled for one term or less and withdraws early, either before or after the start date of enrolment, other than where they have failed to obtain an appropriate visa and have provided evidence of this, there will be no refund of tuition fees or other relevant non-refundable fees.

Where the School terminates the enrolment of a Student enrolled for one term or less, there will be no refund of tuition fees, or other relevant non-refundable fees.

Requests for a refund for voluntary withdrawal from enrolment of more than one term:

If the Student voluntarily withdraws **21 days or more before the start date of enrolment**, a refund will be provided less any non-refundable fees as outlined in this policy. The 21 days will be counted from the day after the School receives written notice of the Student's intention to withdraw from enrolment.

If the Student voluntarily withdraws **less than 21 days before the start date of enrolment**, other than where they have failed to obtain an appropriate visa and have provided evidence of this, a refund will be provided less a minimum of 10 weeks' tuition fees and any other relevant non-refundable fees as outlined in this policy. The 21 days will be counted from the day after the School receives written notice of the Student's intention to withdraw from enrolment.

If a Student voluntarily withdraws after enrolment has commenced, a minimum of 10 tuition weeks' notice is required. The notice period will begin the day after the School receives written notice of the Student's intention to withdraw from enrolment and the student may continue to attend school during the notice period.

Requests for a refund where the School fails to provide a course, ceases as a signatory, or ceases to be a provider:

If the School fails to provide the agreed course of education or is no longer a signatory to the Code or no longer operates as an international education provider, the School will negotiate with the Student or their family to either:

- refund the unused portion of international student tuition fees or other fees paid for services not delivered, or
- transfer the amount of any eligible refund to another provider, or
- make other arrangements agreed to by the Student or their family and the School.

For the avoidance of doubt, this clause does not apply where the format of the education provided by the School changes (for example delivery by remote learning), but where the School continues to offer education for international students.

**Other circumstances where a refund request may be considered:
Where a student's enrolment is ended by the School:**

In the event the Student's enrolment is ended by the School for a breach of the contract of enrolment or as a consequence of a Welfare Issue, then the School will consider a request for a refund less:

- any non-refundable fees set out in this policy;
- a minimum of ten weeks tuition fees from the date of termination; and
- any other reasonable costs that the School has incurred in ending the Student's enrolment

Where a Student changes to a domestic student during the period of enrolment:

If a Student changes to a domestic student after enrolment has commenced, a minimum of 10 tuition weeks' notice is required. The notice period will begin the day after the School receives written notice that the Student has obtained a visa permitting them to change to domestic-student status.

Where a Student voluntarily requests to transfer to another signatory:

If a Student requests to transfer to another signatory after the commencement of their enrolment, a minimum of 10 tuition weeks of prior notice is required. The notice period will begin the day after the School receives written notice that the Student requests to transfer to another signatory.

Refund of other fees

Requests for a refund of Homestay fees

If for any reason, the Student withdraws after their stay in a School Homestay, any unused Homestay fees will be refunded, less any relevant non-refundable fees set out in this policy.

Where the Student moves from a School Homestay and requests a refund of any unused homestay fees, these will be refunded less any non-refundable fees set out in this policy. A notice period of 2 weeks may apply.

Requests for a refund of fees unused at the end of enrolment

Except by written request from a Student or their Parent, prepaid fees unused at the end of enrolment amounting to less than NZD\$300 will be refunded to the Student in cash. Sums greater than NZD\$300 will be refunded into a nominated bank account.

Outstanding activity fees or other fees

Any activity or other fees incurred by the Student during enrolment and owed to the School at the time of withdrawal, will be deducted from any eligible refund.

Refunds to be made to the country of receipt

Unless otherwise agreed in writing, all eligible refunds of fees of NZD\$1,000 or more received from outside of New

Zealand will be refunded to a nominated bank account in the source country.

Rights of families after a decision regarding a refund has been made.

A decision by the School relating to a request for a refund of fees will be provided to the Student or Parent in writing and will set out the following information:

- factors considered when making the refund decision;
- the total amount to be refunded;
- details of non-refundable fees.

In the event the Student or Parent is dissatisfied with a refund decision made by the School or is dissatisfied with the process the School followed when making the refund decision, they have the right to have the refund decision reviewed by the International Student Disputes Resolution Scheme or to make a complaint to the Code Administrator.

9. The Student shall seek specific written consent from the School before the Student, being a Student of any age, participates in any activities while in the care of the Student's Homestay or Residential Caregiver (where applicable) which are considered to be adventure activities or extreme sports. The School shall only give such Consent where approved by the Parents in terms of the Contract of Enrolment.

Should this Agreement be terminated prior to the expiry of the Period of Enrolment the Student will be required to vacate the Accommodation immediately. The School may, at its sole discretion, and without any obligation on it to do so, extend the time for the Student to vacate the Accommodation.  - b. Agree that proceedings may be brought before any court including any forum constituted under the Arbitration Act 1908 within New Zealand, and waive any objection to proceedings in any such Court or forum on the grounds of venue or on the grounds that the proceedings have been brought in an inconvenient form.

Those sent by post will be deemed to have been received ten (10) days after posting. The Parties agree that email correspondence is a suitable means of communication and emails will be deemed to have been received when acknowledged by the party or by return email.

The School agrees that all information regarding the Designated Caregiver/s relating to the Agreement will be kept confidential, except disclosure to the Student or their parents, to any professional consultant or such person where it is in the interests of the Student to provide the information or according to any statutory or other legal duty.
6. Approval is required from the School before the Student is placed with the Designated Caregiver/s.
7. The Designated Caregiver/s agree that approval will be provided only after appropriate safety and other checks have been completed by the School in accordance with the Code and School policies.

10. In the event the School withdraws its approval of the Designated Caregiver/s, the Agreement is terminated, and the Student will be placed in alternative accommodation approved by the School at the full cost and expense of the Parents.
11. The School may take such measures as it considers appropriate (acting reasonably) to monitor and review the quality of residential care by the Designated Caregiver/s and this may include regular visits to the Designated Caregiver/s and meetings with both the Student and the Designated Caregiver/s.
12. The Designated Caregiver/s will provide the School with fourteen days (14) days prior notice of any change in circumstances that may affect the Agreement.
