

10

A JOURNEY THROUGH 2019

10

PRINCIPAL'S MESSAGE

This magazine is a celebration of student achievement, involvement, support and success. It is a journey through 2019 and gives a snapshot of some of the highlights and events from the past academic year. It is an opportunity to reflect on our accomplishments and leave lasting memories for our Year 13 students who are leaving us for the final time. They have been a positive, engaged group of students who have collectively initiated and led a wide range of activities both inside and outside the classroom.

Our Year 13's and their engagement with their fellow students and teachers sets the tone for the students coming through. Our younger students can see positive, energised and focused young adults at the helm. From the swimming sports at the beginning of the year to our end of year Prizegiving, I have been heartened by their role modelling, genuine concern for other students and their tangible leadership.

I have seen it in action on the sports fields, at kapa haka, during Showquest, leading after school tutoring, climbing the Great Wall, or developing new products.

This magazine tells a story of achievement and involvement. The images highlight students who are comfortable and relaxed and who have pride in their school. I am confident that our Year 13 students have developed a skill set that will enable them make their way in the world.

Mike Purcell, Principal

B.A., Dip. Spec. Ed., M.Ed. (Cant), M.Ed.Admin (Massey)

Whāia te iti kahurangi, ki te tuohu koe, me he maunga teitei

Seek the treasure that you value most dearly, if you bow your head, let it be to a lofty mountain

YEAR 9 POWHIRI

On 31 January we welcomed our new Year 9 students and their whānau to the Henderson High School community!

Their high school journey began with a pōwhiri where they got to meet their teachers and fellow students ahead of their form class placement and a busy day of orientation.

Our Year 13 Peer Mentors did an outstanding job showing our newest students around the campus and answering the many questions that junior students have on their first day.

SWIMMING CARNIVAL

Students took to the water at our annual Swimming Sports Carnival on 8 February.

The competitive swimmers swam in the morning followed by the entertaining events of the house carnival in the afternoon. It was great to see so much talent, involvement and support, with students' wearing their house colours and the competitive chants adding to the excitement of the day.

The highlight was the teacher vs student relay. In a huge upset the students' aquatic skills proved too much for our staff, and the students took the title for the first time in memory. Great to see all our talented swimmers but also a challenge for our staff who may have to up their game before next year!

YES KICKSTART DAY

Our Level 2 and 3 Business students took part in the YES Scheme's Kickstart Timata Day at AUT North Shore Campus in February. The event launched another successful year for our young business leaders and inspired our YES teams to continue the outstanding track record of our previous teams.

This was an opportunity for our up-and-coming entrepreneurs to meet and interact with mentors from businesses across New Zealand and to make valuable contacts while networking.

It was great for our students to receive effective feedback on their business plans and ideas from proven industry leaders, and an added bonus to be inspired by the success of our past YES alumni!

Thanks to Mr Rama for his leadership and support.

STUDENT LEADERS

Our student leadership team took on the mantle of leadership for 2019 and we were delighted to be working with such a high calibre group.

Pictured below are our kaiārahi (student leaders), with Principal Mike Purcell.

Well done – Vanya, Te Paea, Karen, Monica, Jessica, Jaeden, Robbie, Niels, David, Zane, Saan, Diamond, Chante, Joachim, Paige and Shasta.

*Ehara taku toa i te toa takitahi,
engari, he toa takitini!*

Success is not the work of one, but
the work of many

YEAR 9 BBQ WELCOME EVENING

Parents of our Year 9 students had the opportunity to meet their child's Form Teacher, Dean, our Senior Leadership Team and Principal in a relaxed setting in the heart of the school at our Year 9 BBQ Welcome Evening.

This event is the first of a number of celebrations we hold at the beginning of each year to connect with our students and whānau, and to kick off the year in a positive way.

A big thank you to our Hospitality students for preparing and serving a great meal and to our Food Technology team for their delicious culinary skills.

ATHLETICS CARNIVAL

School spirit was in full force in February as our students took to the track and field for our annual Athletics Carnival at the Trusts Stadium. It was great to see everyone participating on the day. Whether competing or showing their support, a lot of fun was had. With the temperature soaring it was important for everyone to keep cool. The mist tent and water sprinklers did the job and were a huge hit with students and teachers alike! An after school shout of iceblocks from the Principal was a great way to end such an enjoyable day!

AQUATHON

Competitive athletes were in the swim of things as they competed in the College Sport Aquathon at St Kentigern College in February.

Year 10 Sam and Year 9 Chloe competed as individuals, along with Year 10's Sofya and Hayley who entered as a team. The competition was fierce and all of our students performed well, with Sam, Sofya and Hayley coming away with Bronze medals!

Well done to all who entered, you are great examples of sportsmanship and have represented your school and yourselves with pride!

SOCIAL STUDIES WAIHEKE TRIP

When our Year 10 Social Studies students were studying tourism they had the perfect opportunity to visit Waiheke Island and check out the beautiful attractions on offer.

Students started with the Sculpture on the Gulf exhibition on the coastal Matiatia headland before venturing down to Oneroa to compete in a scavenger hunt. The brief was to gather footage that students would be able to use to create a tourism video for the Island.

Education outside the classroom adds another dynamic to curriculum learning and students got the bonus of being able to discover some of Auckland's natural and unique resources right on our doorstep. Thanks to our Social Sciences team for engaging students with an interesting and varied curriculum.

EXCELLENCE BREAKFAST

There was a record turnout at our annual Excellence Breakfast at The Grounds Eatery in February. This event gives us the opportunity to celebrate and recognise students who gained an excellence endorsement in NCEA Level One and Two last year.

The full house demonstrates the continued growth in high achievement and is a validation of our ongoing commitment to our students. Parents can certainly be proud of their student's success!

To all our students sitting NCEA this year, set your sights on the road to success and aim to be at next year's Excellence Celebrations with us!

PASIFIKA ACADEMIC CELEBRATION

The heart of the school was filled with enthusiasm and pride as we celebrated student success at our annual Pasifika Academic Celebration.

The popular event recognises the achievements of our Pasifika students and also gives our Samoan Group the opportunity to showcase their Polyfest performance to students and aiga, after weeks of practice. Thanks to all who attended, it was a fantastic evening filled with colour and culture.

POLYFEST 2019

SAMOAN POLYFEST GROUP

NGĀ TAIOHI O PANUKU MĀORI POLYFEST GROUP

MĀORI CELEBRATION EVENING

March's Po Whakanui Rangatahi Māori ~ Māori Celebration Evening, was a great success with friends and whānau coming together to support our students.

This event is a great opportunity to see our kapa haka group perform and to celebrate our students' academic achievements. Thanks to all who attended, and for making this event a great success.

SEA CLEANERS

It was an early start for our Environment Club students in March as they gave a helping hand to Sea Cleaners to remove rubbish from the Waitemata Harbour.

Our students turned up full of energy to start their task and spent a fair bit of time in the muddy mangroves retrieving all types of rubbish including tyres, bikes and bottles. Conversations around environmental issues included decisions made by consumers, even the decision we make between milk bottles and milk powder. Our students were pleased with their rubbish haul and happy that they could help.

Well done students, we are proud of your efforts in bringing attention to the environmental impact of rubbish on our coastline, and for getting stuck in to make a positive difference!

ASSEMBLY FOR CHRISTCHURCH

Staff and students came together a week on from the tragedy in Christchurch.

Our Student Leaders led an assembly to offer hope and support for the victims, their families and friends and the wider community.

Students observed two minutes of silence and reflected on our diverse community with many different beliefs, religion and customs, and were invited to write words of support for those affected. We are proud of our students for showing compassion and kindness, especially at this tragic time.

Where there is hatred let me sow love
Where there is injury, pardon
Where there is doubt, faith
Where there is despair, hope
Where there is darkness, light
And where there is sadness, joy

DUATHLON

Our Year 13 PE students braved windy conditions to participate in the annual Duathlon for their NCEA assessment. After weeks of training the students were fit and ready for the challenge ahead - the 2.7km run and 8.14km cycle.

There were outstanding performances from Shasta, Caide, Robbie, Emma and Daishah, and also Year 10 Ben for great bike skills and speed!

This event is part of our dynamic Physical Education curriculum and takes students outside of the classroom to test their skills and endurance while gaining NCEA credits.

SECONDARY SCHOOL LAWN BOWLS

Well done to Corey, Vanya, Patrina, James, Toni, Darland and Akshay for representing us in The National Secondary School Lawn Bowls Competition. It was a tough competition with some of the best players from around New Zealand schools competing and our team did us proud!

A huge thanks to the Henderson Lawn Bowls Club, and to their coach Mike Ramsay who took time to write to us about our students, "it was very rewarding to see their positive attitude, the way they conducted themselves and I never heard one complaint or negative remark. Congratulations to you and your staff."

Thanks Mike for the great feedback!

WOODHILL FOREST CAMP

Our Year 12 PE students had an action packed time on their overnight camp to Woodhill Forest. They were challenged and had to conquer their fears at Tree Adventures while also learning to develop strategies to help each other through obstacles. Students planned and prepared their meals using gas cookers and stayed in tents overnight.

The trip ended with a 12km tramp to Muriwai Beach with students using their pre-planned safety management strategies to ensure everyone arrived back safely. It's great to see our students embracing and exploring our fantastic environment.

SHOWQUEST REHEARSALS

Our dedicated students worked hard over the April school holidays to prepare for their Showquest performance.

The students worked together to create and produce an original theatrical production consisting of original choreography, costumes and props as well as a video projection. All of this hard work and preparation came together when they presented a themed mini spectacular for their performance in June.

Thanks to Mrs Tucker and Ms Walker for all their help.

EVOLOCITY

Unitec's virtual welding course was a real eye opener for students interested in learning to weld. The Evolocity team of Christiaan, Henry, Teh-jah, Dylan and Kael went along to get an understanding of welding to enable them to build their vehicle for the Evolocity challenge.

What a great opportunity for our students to learn more about this highly skilled area of engineering.

LEVEL TWO BIOLOGY

Our Year 12 Biology students had an exciting day exploring forest stratification and plant adaptations around the Arataki Visitors Centre with highly regarded Ecologists Peter and Jean King.

What a great day in the fresh forest air! Our students braved the rain with tremendous resilience and are looking forward to applying their learning to their final Internal Achievement Standard – Investigating Patterns in an Ecological Community.

Thanks Peter and Jean for inspiring our future biologists and to Miss Recordon and our fantastic Science team for developing an engaging curriculum!

SHOWQUEST

Our Performing Arts Department engaged in a wide range of subjects and skills. Our dance students competed in Showquest, previously known as Stage Challenge, which incorporates a broader concept. Not only does the competition encompass dance, but it also includes the wearable arts, digital video, hair, makeup, sound and lighting.

Our Year 13 leaders created a theme that addressed current issues with social media, and students made exceptional progress in their cooperative skills, technique and performance.

While Showquest was certainly one of the highlights of the year, performance maestro's Mrs Norman and Mrs Tucker made sure the curriculum was interesting and varied for all our performing artists!

SHOWQUEST

LEVEL ONE PHYSICAL EDUCATION

ROCK CLIMBING

Our Level One Physical Education students were climbing the walls again! As part of their Play it Safe Achievement Standard, students went to Extreme Edge to participate in rock climbing activities. The students had a great time and were able to challenge themselves by having to belay their buddies.

A big thanks to our PE teachers for their specialist guidance, and of course for their vast experience climbing the walls!

LEVEL THREE BIOLOGY

As part of their investigations into a rocky shore community, our Year 13 Biology students had the opportunity to sample organisms at North Head.

They got the chance to enjoy the sea air while observing species distribution and collecting data for their internal assessment.

Students were incredibly engaged and showed exceptional communication skills. The overall feedback was 'we will never look at rock pools in the same way again!'

HILLARY OUTDOORS

Twenty Year 11 students embarked on a week long leadership camp at Hillary Outdoors in Tongariro in May.

The trip saw them participate in character building tramps, bush bashes, caving, high and low rope activities, traversing ridges and spending a night out under the stars on Mt Ruapehu.

The students achieved many things during their week away but the experience that stands out the most is how the group worked together to support each other. This shared experience enabled students to achieve more individually but also as a group. What a great way to learn and experience the great outdoors at the same time.

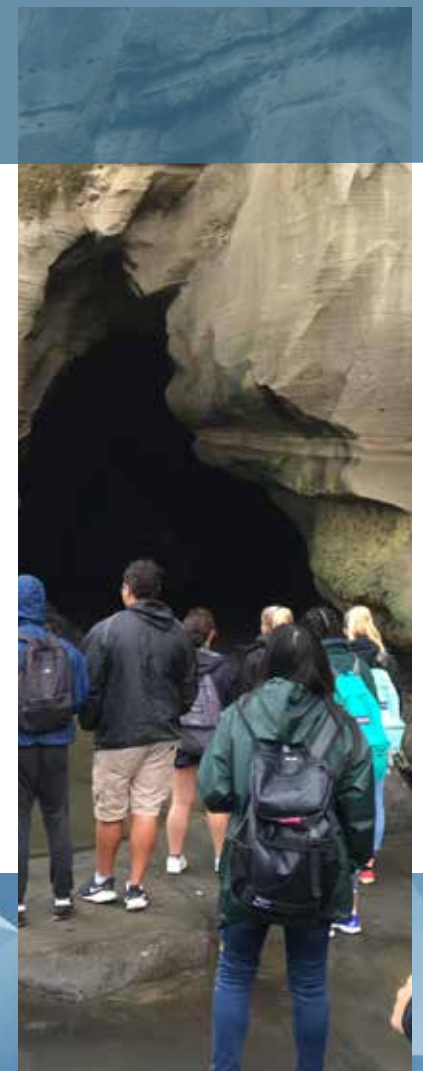

LEVEL THREE EARTH & SPACE SCIENCE

Our Year 13 Earth and Space Science students had a fantastic fresh air day at Muriwai Beach observing evidence of volcanic rock formations, learning all about radiometric dating techniques. It was a wild and windy day as students huddled around the caves and rocky cliffs in Maori Bay.

Students were fascinated by the pillow lava up high on the cliffs, along with visible evidence of sedimentary rock layers and the remains of weathering and erosion.

What are great way to get a day at the beach for our Level Three Scientists, thanks Mr Jenkins and the Science department for keeping it interesting!

ROD MCLEAY

A HUGE Henderson High School congratulations to Rod McLeay who was awarded a Queen's Service Medal in the Queen's Birthday Honours this year. Mr McLeay's contribution to music education in our community is outstanding and he is a legend in his own right!

Rod is pictured with Her Excellency Dame Patsy Reddy at Government House after pinning on the Queen's Service Medal.

Congratulations Rod, it's great to have you working with us and inspiring future generations of musical talent!

EXO DAY

Exo Day is a free in-school event run by the students, for the students. Our incredible Exo Day team of student leaders, ably led by head girl Chante, put in many hours of planning and preparation in the lead up to the event, which aimed to bring students together and build closer relationships across all year levels.

The heart of the school was packed during the lunchtime festival with something fun for every student. We had bubble soccer, games, entertainment and food, including a sausage sizzle, popcorn and candyfloss!

A huge thank you to Chante and our leadership team for their culture of giving back to the school and their peers. It made the day so enjoyable and our school the place to be!

PINK SHIRT DAY

In May we celebrated Pink Shirt Day as part of Bully Free NZ week with a pink bake sale. A huge thank you to Ms Wood, Mrs Wilderspin, and our food and hospitality students who did a fantastic job preparing the delicious pink treats.

We are proud to support the message of celebrating diversity and promoting positive social relationships. We stand together to stop bullying and create a safe, positive environment for all rangatahi!

Thanks to all our staff and students for your support and donations, all proceeds went to the Mental Health Foundation.

BP BUSINESS CHALLENGE

WOW! Our young entrepreneurs impressed the judges at the BP Business Challenge in June. The three day challenge is run by the Young Enterprise Scheme (YES).

Year 10 students worked in teams to come up with a business concept and structure, then they presented their idea to a panel of five judges from our business community. Congratulations to "Kiwi Kork Surfboards" who won the overall prize. The Challenge was a huge success, students were buzzing and focused for every minute of the entire three days.

A huge thank you to Huw, Nick, Maria, Jim and Niels who took time out of their day to judge our students' creations.

YEAR 10 PHYSICAL EDUCATION

Three of our Year 10 Physical Education classes went to Eden Park as part of their investigation into the future challenges that it faces as sports venue.

Students had an insight into how the stadium runs and just what they do to accommodate all stakeholders (neighbours, sponsors, teams etc) to make it New Zealand's national stadium. They also enjoyed getting to see some of the history making moments that make Eden Park part of New Zealand's sporting and political folklore.

What a great way to take curriculum learning into the real world!

NCEA INFORMATION EVENING

Our Senior Management Team and Heads of Departments were delighted to welcome parents and whānau to our recent NCEA Information Evening.

Our Year 10 students were able to focus on the NCEA options available to them next year and also to consult with their families and teachers for professional guidance.

Thank you to all our families who attended and for encouraging conversations with students to support them with their educational decisions. Making those opportunities to talk and inspiring our young people to succeed in their chosen fields is invaluable!

LEVEL ONE PHYSICAL EDUCATION TRAMPING

Level One Physical Education students participated in a tramp to Goldies Bush Walk as part of the Play it Safe Achievement Standard. Luckily the weather held off and they were able to walk a total of 7 kms.

The students had a lot of stairs to conquer and they did a great job at staying together as a group and supporting each other when it got difficult to keep going. Thanks to our PE department for keeping education interesting and helping our students enjoy our wild west coast!

BUSINESS STUDIES

We were very lucky to have ten of our business students invited to the Unfiltered Live – Fall Forward seminar held at Skycity. This event was asking the question as to why some people turn failure into their secret weapon and bounce back and succeed.

It featured inspirational leaders from around the world speaking about their three biggest mistakes they ever made and how they not only fixed them but learnt from them.

Students were impressed with the speakers and were inspired to see how they came back from challenges and found new ways to succeed.

YEAR 13 FOOD TECHNOLOGY

Education outside the classroom comes in many forms and our year 13 Food Technology class were treated to a gastronomic experience when they attended the Auckland Food Show.

Our students were impressed by the extensive range of food available for them to sample and they particularly enjoyed the healthy food section, where they viewed a cooking demonstration made with natural whole ingredients. Our students relished spending a delicious day at this annual event!

LEVEL ONE HOSPITALITY

Assessment week gives us a fantastic opportunity to focus on a particular subject and our Level One Hospitality students relished the opportunity to demonstrate their culinary expertise!

Our staff guests were impressed, and satiated, by the mouth watering variety of canapes presented by the students. Well done to all our students for their excellent preparation and service and a huge thank you to Mrs Wilderspin for her expertise and knowledge. It is great to see our students doing the ground work for a successful career in the hospitality industry.

STAND UP STAND OUT

Stand Up Stand Out! Our students certainly proved they have got what it takes to succeed in their chosen field!

Over a thousand high school students competed in Auckland's premier secondary school music and dance heats in South Auckland in August.

Participants had the opportunity to perform in front of judges selected from the New Zealand music and performing arts industry.

Huge congratulations to Lewalelei ~ Sera, Maria, Florence, Emmerson, Rita, Sheena, Caspian, Asinate, Heaven and Nau who made it into the finals for their outstanding Group Vocal performance.

A HUGE thanks to Mrs Norman for her inspirational teaching!

WINTER SPORTS

The dedication and sportsmanship our students bring to their chosen codes is always worth celebrating.

We had 22 teams compete this winter season. Our juniors have fantastic student coaches and our staff who manage sports teams have been incredible. Out of the 22 teams, half finished their season in the top 3!

Congratulations to our netball teams - Premiers, Senior Maroon, Year 9 Yellow, Maroon and Black, Year 10 Yellow; Hockey 1st XI Boys; Football Girls and the U17 Boys Basketball team for their season placings.

An extra special shout out to our Junior Boys Football Team who were undefeated and placed first in their league!

Well done to all involved and we thank you all for your efforts in making our sports teams so successful!

SCHOOL BALL EMERALD CITY

SCHOOL BALL EMERALD CITY

LEVEL THREE PHYSICAL EDUCATION

Our Level Three PE students had a fantastic mid winter break from the classroom. Their NCEA assessment saw them spend three days and two nights on Rangitoto and Motutapu Islands.

Students applied their learnings to plan the journey to and from the camp, as well as the safety management strategies required. Students enjoyed the tramp to Home Bay, challenging themselves as they passed through the lava caves and summiting Rangitoto.

Well done to all who participated and accepted the challenge and a huge thank you to Mr Beeston and our PE team who deliver such a fantastic physical education programme!

SPORTS COACHES

Sports add great value to education, as well as benefits to personal health and wellbeing. Our student coaches are integral to this and are dedicated to offering their time and expertise in their chosen field and their level of leadership and professional advice is second to none.

Student coaches not only spend many hours training with our current students, they also help out in primary school cluster days for football, basketball and hockey - setting up fields, refereeing games and helping younger students with scoring.

Our sports co-ordinator Miss Faitau is always impressed with the positive feedback we receive about how organised and knowledgeable our students are and about how well they work with younger students. Thank you to all our student coaches for your valuable input - we couldn't do it without you!

TECHNOLOGY

VISUAL ARTS

CHINA TRIP

Principal Purcell challenged our Student Leaders to step outside their comfort zone and they jumped at the opportunity!

Our sixteen Student Leaders toured China in September, visiting Shanghai, Changyi and Beijing. The trip was fast paced and educational, with a focus on business, culture and environmental issues. It was an eye-opening cultural experience with visits to schools, businesses and New Zealand Trade and Enterprise.

On their return home students had the time to reflect on their trip and how they can share their valuable experiences and insights with other students.

CHINA TRIP

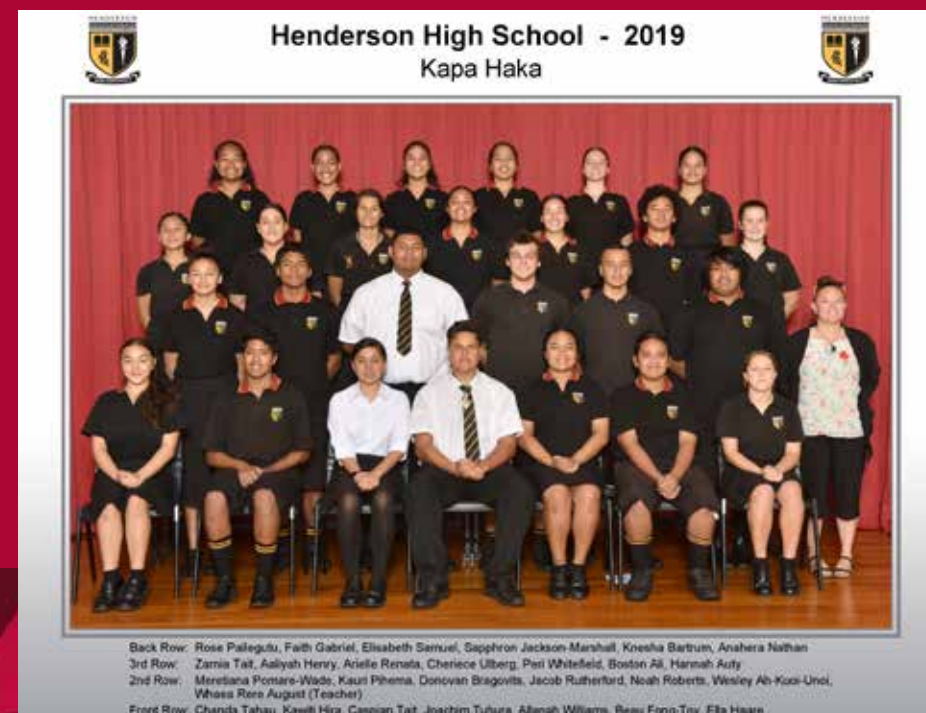

SNAPSHOTS

STUDENT GROUPS

Our students have a multitude of opportunities to get involved with the many academic, sporting, cultural and creative teams and groups across the school. These students contribute to the school community and culture of the school.

STUDENT GROUPS

Henderson High School - 2019
MUNA

Back Row: Sankhya Pandey, Arthur Koutsariko, Karen Haskell-Gill, Miss C. Matthews (Teacher)
Front Row: Jordon Guffery, Mitchell Sambrook, Daniel Cooper, Kael Mead, Zairael Dirraun

Henderson High School - 2019
Special Olympics

Back Row: Ms L. Woolsey (Teacher), Marcel Atkinson, Kane Rangihauata, Steve Exley, Mrs P. Smith (Teacher)
2nd Row: Mrs G. Spreadbury (Teacher), Keiana Raukawa, Tristan Vai, Kane Hopkinson, Nathan Clements, Wesley Ah-Kuol-Uhol, Mrs H. Amarasekera
Front Row: Darcy Clements, Cati Harris, Stefanie Thomas, Hannah Thompson, Breya McDonald, Rachael Stewart

Henderson High School - 2019
House Leaders & Sports Captains

Back Row: Diamond Tarnalus, Liam Page, Kael Mead
2nd Row: Zane Makoa, Robert White, Caide Parry, Mr J. Beeston (Teacher)
Front Row: Shayna Robinson, Jessica Douglas, Te Paea Rangihau, Cindy Lister, Emma Simons

Henderson High School - 2019
Student Sports Coaches

Back Row: Sarah Batterby, Kapereese Peyroux, Leonard Pancho, Caide Parry, Melissa Adams, Alanah Williams
2nd Row: Miss T. Fatau (Coach), Arielle Renata, Levi Lyons, Robert White, San Phan, Brooke Murray, Mr J. Beeston (Coach)
Front Row: Hannah Auty, Akshay Kumar, Chanto Dehar-Webster, Decima Te Kahu-Rudolph, Kieran Wallace, Ella Haane

Thanks to the many students and staff who have contributed to groups in 2019.

The energy and commitment shown demonstrates the engagement of all involved and their support is a valuable asset to the school community!

Henderson High School - 2019
Road Patrol

Back Row: Mrs A. Catral (Teacher), Justine Tucker, Talia Feasey, Trinity Young, Mrs H. Amarasekera (Teacher)
Front Row: Karen Haskell-Gill, Mahila Page, Joshua Paterson, Hannah Auty, Tangata Lopati

Henderson High School - 2019
Big Band

Back Row: Hannah Bjerga, Anton Bennett, Reginal Sen, David Wang, David Telefori, Sophie Gupill, Florence Levao
2nd Row: Angelo Santisajon, Darland Kenyon, James Teia, Liam Frazer, Michael Inu, Joel Ashwell, Ethan Lee, Mrs R. Norman (Teacher)
Front Row: Stylla Steffensen, Justine Tucker, Georgia Chambers, Hannah Wilmut, Emma Auty, Blaze Webster, Hannah Auty

9 BAL

Back Row: Benjamin Olivares Maldonado, Chaise Nathan, June Tarte, Sade Raukawa, Jia Young, Kingi Tuifulotu
 3rd Row: Naquita Lio, Kian Shea, Baylee Davies, Emma Templeton, Kaleah Freeson, Ricco Mason, Sabelle Ball
 2nd Row: Jarick Rawiri, Marshall Brown, Jaehyeok Kim, Shalom Wilson-Hakaraia, Josefa Tuinayau, Jesse Bellamy, Fabian Pooley, Christopher Heagren, Mrs R. Ballard (Teacher)
 Front Row: Chloe Haddon, Jaydan Chalmers, Tuhauhoi Ripia, Ashley Kelekolio, Deeya Purani, Ben Brockwell-Jones, Samantha Campbell

9 IBL

Back Row: Emma Auty, Imogen Donnelly, Zoe-Jade McLeod-Franetovic, Shreya Sudeep
 3rd Row: Grace Sutton, Hasan Haghighi, Sadie Skinnis, Tauray Mead, William Bell, Henry Middleton, Laken Donovan
 2nd Row: Alice Maxfaono Langafaoa, Milama Apisai, Jamie Ross, Joel Ashwell, Oscar Ward-Colman, Youngmin Oh, Dylan Tucker
