

WE WILL EMPOWER STUDENTS WITH THE KNOWLEDGE TO SUCCEED AND CHANGE THEIR WORLD FOR THE BETTER

STRATEGIC GOALS

INITIATIVES

MEASURES OF SUCCESS

TEACH KNOWLEDGE

Build quality and equity of achievement for all students through explicit teaching of a knowledge-rich curriculum.

Sequence and develop a knowledge-rich curriculum.
 Implement a professional development programme.
 Ensure our student demographic is reflected equitably in course pathways.

All our students have a breadth and depth of knowledge that equips them for life and meaningful work.

ENGAGE COMMUNITY

Engage the community in shared aspiration and increased opportunities for our students.

Explore avenues for partnerships with Māori, Pacific and business communities.
 Develop a communications plan.
 Build HHS alumni focused on student development.

Our school and community have an active, reciprocal relationship that benefits our students.

SUPPORT STUDENTS

Instil students with a sense of purpose and belonging, empowering them to change their world for the better.

Develop a values-based leadership/service programme.
 Sequence and strengthen career pathways.
 Design and implement a tiered hauora programme.

Our students have a sense of self, purpose and belonging and are empowered to change their world for the better.
