# TE HIRINGA
## Academic Enrichment Programme

## WELCOME TO Henderson High School

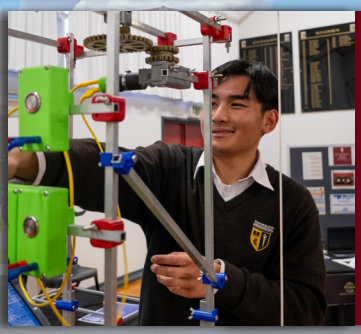
**Our vision is to empower students with the knowledge to succeed and change their world for the better.**

Henderson High School's **Te Hiringa Academic Enrichment Programme** adds depth, pace and breadth to academic programmes.

It allows students to collaborate with schools and academic institutes outside of the classroom environment, in order to enrich their learning experience.

The **Te Hiringa Programme** develops students' thinking skills and extends their knowledge of their chosen courses of study.

The programme facilitates research and information gathering using a variety of methods.



The **Te Hiringa Academic Enrichment Programme** supports fast paced, advanced learning which is a distinct advantage of our educational approach.

As well as the enrichment offered through our core curriculum, **Te Hiringa** students may be accelerated through NCEA.

Our **Te Hiringa** students are high achievers across the curriculum and in their chosen fields.

We support creativity, collaboration, communication, research and critical thinking.

## TESTING FOR 2027 ENTRY

**Be sure to sit our Te Hiringa entrance exam to be eligible for the Te Hiringa Class and an Academic Scholarship.**

**Testing for the Te Hiringa Academic Enrichment Programme will be carried out at Henderson High School.**
